Create special memories that last a lifetime

Dignified pet cremation services

As a team of pet lovers, we understand how much pets mean to their owners, and how hard it can be to say goodbye

Our private pet cremation services offer a heartfelt way to honour the life of a beloved pet, while ensuring you have all the support you need.

We welcome you to explore Lawnswood's extensive memorial options for a meaningful tribute to cherished companions such as this Australian-made Wind Chime. Crafted to provide a unique and personalised tribute, they are handmade using sustainably sourced timber and recycled aluminium. Their harmonies serve as a moving memory to a cherished pet.
